

Volunteers are the Heart of Florence Habitat

We rely on the support of community members like you to help make Florence Habitat the success that it is today. Our work simply cannot be done without passionate volunteers. In 2021, 85 volunteers worked more than 15,000 hours. The value of a volunteer's time cannot be calculated only in hours. The service and example that our volunteers contribute to our community is inspiring.

Florence Habitat offers many volunteer opportunities like working at a construction site, helping in the office, serving on one of our operating committees, assisting at a fundraising activity or in our ReStore and so much more.

We invite you to join our volunteer team!
